## ALIEN IN-LINE IS...

...An exciting skating program that brings one of Canada's most popular recreational sports right into your own school's gymnasium

Alien In-Line's certified instructors emphasize skill building and safety. We also provide all the skates and protective equipment needed to fit all sizes K-12

Alien In-Line is Canada's leading school skating program and provides instruction to more than 60,000 students each year

*"We appreciate you recognizing the needs of different students and the diversity within each group...we look forward to having you again next year"*

Blessed Damien School - Calgary

## Instructors

**Qualified** Trained and mentored through the United Skate Schools Group - the world's largest and most respected in-line instructor program

**Supportive** Alien In-Line instructors create a positive environment with an enthusiastic and respectful approach to teaching

**Effective** The presence of two fully qualified instructors allows grouping of students by ability

## Skates & Equipment

**In-Line Skates** Floor-friendly and chosen for in-school use

**Protective Gear** Knee pads, elbow pads and wrist guards -- regularly cleaned & sorted

**Helmets** Safe, adjustable and easy to use

## Special Programs

**Family Skate Night** Bring families together by presenting an evening skate event...a GREAT opportunity for School Council involvement!

**Activity Days** A great program for year end and other activity days

**Community Programs** Lessons for parents, teachers and others involve the whole community

**Olympic Oval (Calgary)** Speed skating instruction and open skate sessions at the world's greatest ice skating facility

*"Staff were punctual and organized, setting easy to follow routines that got students skating as quickly as possible"*

Haultain Memorial - Calgary
